MARYLAND HORSE COUNCIL

JOIN TODAY

Do you love horses? Have horses? Operate a horse-related business? Own or manage a horse farm? Ride horses? Then a Maryland Horse Council membership is for you.

Maryland Horse Council, Inc. (MHC) is a 501(c)(6) trade association that represents all segments of the Maryland horse community, at the state and local level, from recreational riding to top sport horses to backyard ponies and therapy horses. We promote programs and policies to protect horse health and safety, foster a vibrant horse industry and safeguard equestrian lands for farms, competitions and riding.

Maryland has more horses per square mile than any other state and is home to about 100,000 horses and 705,000 acres of horse farms. As your advocate, the Maryland Horse Council tracks legislation and regulations to assure that they support our horse community. We provide quality information to the media on the positive contribution of horses to life in Maryland. We hold frequent online and in-person seminars

for education on diverse topics such as insurance, labor regulations, fire prevention and farm stewardship. Our Industry Professional members benefit from high-level networking and discounted products and services.

MHC celebrates the wonderful world of horses with special Members Only events at beautiful horse farms and at fun competition venues such as polo matches and hunt races.

We invite you to show your support for our horses and the horse community in Maryland! Join us, together with others who love horses, to ensure a great future for our Maryland equines and horse community as a whole.
